## Saab 9-5 5D

Cargo Space Divider

Accessories Part No.	Group	Date	Instruction Part No.	Replaces
400 111 803	9:88-11	Jul 98	86 90 067	

E980A107

E980A108

**⚠ WARNING**

The cargo guard must be fitted as the cargo space divider uses it as a mounting point.

- 1 Place the cargo space divider in the selected position with the tube cups under the cargo guard's lower tubes.
- 2 Tension the cargo space divider firmly by screwing the feet down hard against the cargo space floor.
